Service Charge, Fee, Rentals Rate, and Gratuity Card

SERVICE CHARGES

Our service charges cover the additional expenses incurred when executing an event and are not added to assume more profit. They are based on industry averages. These costs include event insurance, workman's comp, van/truck rentals, disposables such as aluminum pans and serving utensils, administrative costs, charcoal (in California, special fees are levied against companies that produce particulate matter that is dispersed into the atmosphere), gas and travel fees, etc. The service charge is applied to cost of food only.

FEES

“Set up and Go” fees:

Our “Set Up and Go” service requires a staff-member(s) to drive to the event location, set up our beautiful buffet, instruct the client on equipment usage if leaving (or stay if attendant is required) and then return and pick up the equipment after the event.

Drop off, set up, and pick up: \$125 plus tip

Attendants: add \$20/hour

“Extended Travel” fees:

Travel fees are only added to full service and “Set Up and Go” services for events farther than 15 miles (30 miles round trip) from the 90710 zip code. We charge \$1.25/mile after the initial 30 miles has been exceeded.

GRATUITY

Gratuity for excellent service is automatically added to your bill for your convenience and split equally among the staff. If for any reason you feel the staff did not earn their gratuity you may contact the catering office and speak directly to senior management regarding your concerns.
